

**Ozark Greenways
Bicycle Friendly Business**

APPLICATION

Ozark Greenways is pleased to present the Springfield **Bicycle Friendly Business** program to recognize local businesses that support, promote, and practice bicycle friendly initiatives in our community. A few of the benefits we are seeking within the program are to:

- Reduce transportation spending by businesses and employees
- Showcase social responsibility and a commitment to sustainability
- Enhance health and wellness benefits and reduce costs of healthcare, while creating a culture of wellness for both employees and customers
- Create a community that supports bicyclists of all ages
